## Carrie Alba (Vera)

Carrie is grateful to be working with Salem Community Theater. She received a degree in Theatrical Arts from UVU. Some favorite roles include Samantha in A Flickering (Provo Theatre Company), Babe in Crimes of the Heart (SUU), and Minnie Fay in Hello, Dolly! (Hale Centre Theatre, WV). In addition to performing, Carrie has been on a theatre board, directed, and choreographed. She loves everything to do with theatre and being able to share the stage with two of her daughters in this production has been an absolute joy! "Thank you to my incredible husband and family for your never-ending love and support."

## Judy Joslin (Ellie)

Judy is eight years old and enjoys singing, playing, and math. She has previously been on stage twice: once as a cat in Cinderabbit (EOTS) and when she was one year old, she got to play a baby in The Best Christmas Pageant Ever (EOTS). She loves rehearsals and her favorite number in the show is "Jester". "Thanks for coming and enjoy the show!"

## Steve Dunford (Robert)

I used to be on a lot of stages, a lot of the time. It's been a while, as life has a way of getting in the way. I live in Salem with my awesome little family. I loved podcasts before anyone else, and I will fight you if you say otherwise.

## Scott Johnson (Great-Grand Father)

I love to play basketball, golf and of course, singing. Some of my favorite roles I have played are Javert (Les Miserables, Payson Community), McAffrey (South Pacific, Hale Center Theater), Antonio (Marriage of Figaro, Ricks College). I love the feeling of coming on stage and performing something that I can tell people like. Although I grew up in Idaho, we have lived in Spanish Fork for 16 years and my ancestor, Benjamin F. Johnson, founded Spring Lake and Santaquin, so this area feels like home.

## Sam Bennett (Andy)

Sam has a long history in Musical Theatre with some of his top credits being West Side Story, The Addams Family, and Shrek. As well as acting Sam is an avid Baseball enthusiast and is currently pursuing a professional acting career in Film and Television.

## Annalyce Chandler

Annalyce is a 15-year-old singer, actor, dancer, and tech. According to friends and family, she has been singing since she gained use of her vocal cords (pretty much birth), dancing since she gained full control of her limbs, and acting since her two-month-old tantrums. She loves all different styles of performance. Some of her favorite roles are The Fairy Godmother in Disney's Cinderella, a Lost Boy in Peter Pan, and Inspector Clueless in The Romanian Uranium Mystery. She has loved seeing this performance come together, and hopes you'll enjoy this night of laughter, joy, and family as much as she will.

## Malaina Dunford

I have been in to acting since I was a little tiny girl. I honestly can't remember a time I wasn't in the theater either watching my dad act or acting myself! I'm just glad I can get back into it because it's been a second that I've been on the stage!

## Hannah Coyne

Hannah loves doing theater and has been doing it ever since she was a little girl. Some of her favorite shows that she has performed in are "Annie" playing the role of Molly, for Spanish fork youth theater, and Payson and Spanish Fork's "Night on Broadway". When she's not on stage performing, she's killing it on the soccer field. This will be her first experience with Salem community theater. She is really excited to be in this production!

## Meg McCoy Reitz

Meg is very excited to be a part of such a special show! She was most recently in "How I Became a Pirate" at the Scera, and her favorite past roles include Puck in "A Midsummer Night's Dream," Dominique in "Lucky Stiff," and Alice in "The Addams Family" at Timpanogos High School. She is graduating from BYU with her Bachelor's in English Language this semester, and is extremely grateful for her family's support through this busy time.

## Audrey Joslin (Millie)

Audrey is ten years old. She enjoys reading, dancing, singing, hanging out with friends, and playing her ukulele and piano. Previously, she played a cat in Cinderabbit (EOTS). Audrey is thrilled to be cast in this fun production and hopes to be in many more to come. "I want to thank everyone in this production for making it a fun experience for me."

## Rosemary Johnson (Young Vera)

Rosemary grew up in Provo in a family of music lovers. During canning season everybody canned fruit while belting out Disney, Broadway, and everything in between. Rosemary was in the ensemble of Beauty and the Beast and Joseph and the Amazing Technicolor Dreamcoat, and was in the pit orchestra for several other shows during high school. During college Rosie was in BYU's Women's Chorus and the BYU Marching Band, where she played french horn and met her husband, Curtis, also a horn player. Rosie graduated with a degree in science education and a minor in music, and had the distinct privilege of representing her college as the featured vocal soloist during graduation in the Marriott Center. She enjoyed teaching 7th and 8th grade science for a year, and is now a stay-at-home mom with an energetic (and opinionated!) 2-yr-old. Rosemary is delighted to return to Salem Community Theater for A Family Night on Broadway.

## Craig Gardner (Father)

Craig has performed in theater and choirs since 8 years old, in such memorable roles as Mercutio (Romeo and Juliet), Harold Hill (Music Man), Riff (West Side Story), and the very important Man #4 in Les Miserables. He joined Salem City Community Theater in 2020's "A Night of Classic Broadway." He loves the theater, and is grateful to be performing with SCCT again this Spring. Above all, Craig is grateful for the love and support of his family.

## James Eastmond

James is new to Musical Theater, and has found it to be one of his favorite things to do. Starting just over one year ago, he has quickly found a home among talented performers. James is very musically inclined, which has greatly enriched his life. He studied Cultural Anthropology and believes strongly in the importance of community events. He hopes to be involved with musical theater throughout the rest of his life, and is always thrilled to participate in shows.

## Matt Mason

Since being introduced well in his youth, theater has been an integral part of Matthew's life. Some of his favorite shows have been Seven Brides for Seven Brothers, Hairspray, and Fiddler on the Roof. When he's not singing or acting to his heart's content, he absolutely loves spending time with his beautiful daughter, dancing and singing (probably to Disney songs), so he's ecstatic to rejoin Salem Community Theater and hopes you enjoy A Family Night on Broadway!

## Rob Eastmond

I have been away from the theater for over thirty years. I love to make others smile! I enjoy teaching, coaching, running, and solving problems! My wife, Amy and I thoroughly enjoy our children and the fun we have together! As some of my children have become involved in theater and musical theater, the desire, excitement, and of course, their encouragement has drawn me back to the stage.

## Ammon Flint (Uncle Andy)

Ammon has been performing as far as he can remember. He has done shows with many theater companies across Utah. His most recent and favorite role was LeFou in Beauty and the Beast (SFCT). When he is not on a stage, you can usually find Ammon managing Guru's Cafe, a restaurant in Downtown Provo. Apart from performing, Ammon loves cooking, Disneyland, Star Wars, D&D, and really anything nerdy. He hopes you enjoy the show.

## Matti Rasmusson

Mattilyn was raised in a family full of thespians and, as such, has been a part of several productions throughout her life as both an actress and a stage technician. When she's not on the stage, she enjoys a plethora of other activities including (but not limited to): reading, goofing off with her husband, hoop dancing, drawing, making others smile and finding inspiration through Panda Express fortune cookies.

## Rachel Johnson

I am an agricultural student with a love for plants, animals and the outdoors. I love to perform and sing and performed in White Christmas, Pippin, Addams Family, How To Succeed In Business, and Music Man. I love distance biking, training, and traveling.

## Kelsey Eastmond

Kelsey has a passion for music and loves to sing and perform. She is excited to be a part of this show and even more excited that her husband James gets to perform alongside her. She currently teaches Music at Freedom Prep Academy in Vineyard. She is a member of Millennial Choirs & Orchestra and enjoys quilting and spending time with family and friends. Favorite roles in her past include playing Miss Dorothy in Thoroughly Modern Millie and the Narrator in Joseph and the Amazing Technicolor Dreamcoat.

## Rachelle Hansen (Young Liz)

Rachelle has been a part of some amazing shows over the years of her life, her favorite role was being Sarah Kines in Seven Brides for Seven Brothers. She loves being wild outside with her husband Kai, daughter Lily, their 3 dogs, and their son due this September. She loves the magic musical theatre brings and hopes you are moved by this amazing production!

## Kayli Champneys (Mother Vera)

Kayli loves theater and has enjoyed being a part of productions in Spanish Fork, Payson and Provo. Apart from Theatre, she works as an artist, loves to cosplay and aspires to start a career as a mermaid.

## Lauren Smith

There are few things Lauren loves as much as performing, but when she isn't on stage, you can find her diligently working toward her Masters degree in Speech Language Pathology at the U of U, playing dinosaurs with her cute son, singing with her musically brilliant husband, running ridiculously long distances, or attempting to bake macarons.

## Miranda Mobbs (Liz)

Theater is in my blood and I love how it brings communities together and gives them time to escape into a musical world that brings hope and joy of better things to come! I'm excited to share this story of a family reminiscing of old times and going through hardships that we all deal with at some point in our lives. The storytelling through music will lift your soul. Thank you to the creative directors for putting this together and for my family who always supports me in my theater endeavors!

## Alexia Dunford

Hi. I have always liked playing the piano and violin. I also like singing and I have danced ballet since I was 6. Have fun!

## Rachel R. Johnson (Claire)

Rachel Johnson is from Peoria, Arizona. She loves how many beautiful ways people can express themselves (through music, dance, art, language, and so much more!) So she is always down to try something new. She hopes you enjoy the show!

## Emma Eastmond (Quincey)

Those close to me would call me a film and television fanatic. My two favorite shows are Boy Meets World and Crazy Ex Girlfriend (a TV show perfect for musical theater lovers). I love to perform and sing and dance (mostly freestyle) and I've done musical theater since 4th grade. After 2 years out of the field, I came back to perform with my brother, sister-in-law, and father. And I have to say, I'm excited to be back.

## Lucy Roberts

I love playing the piano and singing. I am a bookworm and classical music nut. My favorite author is Brandon Sanderson. I love performing because it is fun! I have always liked it. What I like about this play is how family oriented it is. If I could go back in time and meet anybody, it would totally be Beethoven or Elvis so I could learn from them. They are so cool!

## Alice Roberts

I love singing, and writing. I am the youngest of 11 children. I am 17 years old. I also love reading; in fact I love reading so much when I get in trouble my parents ground me from reading. This is the first play I will actually be able to perform in. Finally what... is... your... favorite... COLOR?!

## Rebecca Hornberger

Rebecca's first performance was The Music Man at age 9 with her family in Canada. She has performed, Stage Managed and been involved in theatre in Canada, Idaho and Utah ever since. Rebecca paid her way through University working on the BYU-I Light Crew. Some favourite credits include Ensemble for SCERA Shell's Brigadoon and Big River, SMing SCERA's A Christmas Story, and Marriage of Figaro at BYU-I. Rebecca's excited to be back with Salem Community Theater where she was last seen as Mrs. Sander in Seven Brides for Seven Brothers and also enjoyed Stage Managing the production.

## Kira Shaffer

Kira Shaffer is a 29-year-old writer, homemaker, wife, and mother. She lives in Provo with her family. Her current projects are adapting a book for the stage and planning a Halloween show of ten-minute plays. She is glad to be participating in this musical theatre production, as it's been six years since the last musical she was in.

Thank you for joining us tonight!
